

Plan of the course

**Croatian Language 3**

Academic year **2016/2017**

---

Ana Horvačić Debić, ???

## **I. COURSE AIMS**

Medical Croatian will introduce students to anatomical vocabulary and medical terminology in Croatian as well as to culturally appropriate communication between health-care providers and patients. The students will systematically learn the basic grammar structures, providing a linguistic base of knowledge. The course is intended for students with level A2/B1 knowledge of Croatian.

Course goals:

- Build a solid foundation of Croatian grammar/vocabulary for real communicative purposes
- Provide the opportunity for students to interact and use their Croatian
- Improve listening, writing and reading skills

Even though the course is held in a big group, students are expected to follow the course regularly and prepare for the each lesson. The aim of the course will be to include each and everyone into the learning process and try to get maximum of each student. Student's participation will be evaluated after the each lesson.

## **II. COURSE STRUCTURE**

**Course hours:**

Lectures: 36

Practicum: 34

**Total hours: 70**

The student will gain the most from this course by complete attendance. Therefore, attendance is required. If student misses a class, it is student's responsibility to find out what material was covered during the class period and complete the homework assigned.
