Application date:

Send application

The correctly completed form must be saved as a new pdf document ("Save as") and change the title to "Last name First Name" (you enter _your_ last name first, then _your_ first name). The correctly saved and addressed form must then be sent via student email to the following email address: tomislav.balen@mef.hr
It is obligatory to include the word "application" in the title/subject of the e-mail so that the e-mail can be filtered correctly.
